5 Elements Bracelet a Mom & 'Chelle Creation

For Alignment to Air, Fire, Water, Earth & Spirit

Colors and interpretations vary among cultures, but for those who include the elements in their practices, the intent of Oneness with the elements is the same. With 5-Elements, Spirit is represented with Green, Yellow and Brown bone beads and honors the "All" connected to Above (the future), Below (the past), and Within (the moment). Stones are Turquoise: Blue represents Air, a Master Healer and Psychic Protection stone; Obsidian: Black represents Water, a Truth & Clarity stone; Howlite: Red represents Fire, the stone

calms the mind and expands memory; Riverstone: White represents Earth, a stone that soothes and creates tranquility. To energetically cleanse, place in the moonlight overnight (sunlight cleansing may fade colors).
