## AIRBRUSH IMAGES -- THE ANGEL MESSENGER COLLECTION

In alpha order

### Balance

You weigh all the options to achieve harmony and balance. This angel reveals your charm and great appreciation for art and beauty with palms open upward. Those who follow this path consciously are generally a friendly, popular, attractive people and see creating and maintaining relationships a priority. To balance this they create exercises in being indecisive, and outwardly demonstrating sincerity

### Comfort

Your feet are firmly on the ground. This angel reflects your calm, dependable and cautious demeanor. You are always there for people and expect the same in return. Those who walk this path are living consciously when they push people out of their circles that don't reciprocate comfort to "feed" their longer-term soul needs, and keep their activity levels at a physical level that promotes good health.

### Divine Reflection

You can be very curious. These angels are always moving, changing their reflections, witty, and quick. With this quickness comes great potential in being a divine communicator that likes yourself when you look in the mirror. Those who walk this path consciously are aware of their tendency to be fickle. To balance this they create exercises in being reliable and relaxed with people, businesses, and situations they are connected to. This creates a sense of peace while still enjoying the many new reflections that develop as you constantly change.

### Empath

You're learning about emotional and physical security and responsible nurturing in this lifetime. This angel symbolizes your sympathetic ear and the warm light that shines on you for being there for others. Those who walk this path consciously have the gifts of being adaptable, loving, dependable and self-sacrificing. To balance this they create exercises to help them let go so as not to enable, feel secure with themselves, and to express their love safely, and freely.

### Faith

You live by faith and intuition. This angel's scepter represents free choice, and a slight touch of this creates forward motion (similar to how thought seeds in the physical). You are highly intuitive and can represent spirituality itself (not to be confused with religion). Those who follow this path consciously are aware of the fact that while living by intuition, they can take on others seeds of feelings and thoughts as their own (creating mood swings, and confusion) which can manifest in the physical in many ways so holistic practices for the body and soul are your most effective equalizers (food, drink, interaction with people...).

### Fortitude

You never give up. With hip cocked, and finger loaded, this angel represents your concern with feelings rather than appearances. You wait for just the right time to make a decision and can be mysterious as a result. Those who follow this path consciously are compassionate and brave leaders but are aware of their traits to be vengeful or cruel at times to achieve what they believe is right. To balance these traits they define a sacred space for themselves to be alone to sort out all their feelings to create positive outcomes for all involved.

### Freedom

Your boots are made for walkin'. This angel represents the life truths that you are looking for as you illuminate your way. Completing the journey is not as important as are the adventures along the way. You're honest, direct, and must be free to see new places. Those who follow this path consciously are aware of their lack of commitment as they enjoy the moments. As a result they create exercises to slow down and consider the bigger picture, and others while still partaking in life.

### In Service

You analyze situations in great detail to improve the world. This angel reflects a very responsible person interested in serving a higher good, looking to achieve ultimate perfection. Those who follow this path consciously are aware of their tendencies to find problems where there may not be any. To balance this they create exercises in flexibility, in-the-moment awareness, physically sitting and observing without judgment.

### Innovator

You are an individual in every way, looking for the new and different. This angel represents taking flight into the wild blue yonder with arms about to spread. Those who follow this path consciously understand that boredom is very difficult for them, and care little about what others think. To balance their busy minds they create exercises that reattach themselves to society (to varying extents) to ground themselves in the physical.

### Inspiration

As a pioneer you inspire. This angel symbolizes being pulled to a light of constant leadership, courage and quick thinking that gives people the confidence to follow. Those who walk this path are living consciously when they develop patience with people and processes, and pace themselves.

### Manifester

You are proud, confident, and clear about your abilities to manifest your reality. This angel symbolizes how, with a wave of your hand, you make things happen with ease. You're bold, and creative, yet generous and loyal. Those who walk this path consciously are aware of their tendencies to be stubborn, and lazy. To balance this they create exercises in listening, allow others to share in responsibility, and regular physical activity for inner peace.

### Stability

You are practical and patient. This angel stands firmly on the ground, arms to her sides representing self-control. Those who follow this path consciously understand their need to help build a stable society that fits the needs of others (for instance), and have been given the gift of organization to lead the way. To balance their highly goal-oriented paths, they create exercises to increase their flexibility, and honor others on a variety of paths to increase their perception that people want to help not hinder their ambitions which maintains positive outlooks.

In month order

Aries~March 21<sup>st</sup>-April 20<sup>th</sup>

Never A Dull Moment...

Known as the Ram, you are a pioneer and a daredevil. This angel symbolizes a kid that always ran to the front of the line. You're assertive, direct and have the makings of a great leader. Your courage and quick thinking give people the confidence to follow you as well. As a fire sign, your happiest relationships are with other fire signs—Aries, Leo's, and Sagittarians as they are as passionate and prefer excitement. Your color is red and gem is a diamond.

Be aware of your tendency to be aggressive, blunt and impatient.

Your are healthiest when you slow down.

Your share the same sign with:

Elton John, Eddie Murphy, Vincent Van Gogh

Taurus~April 20<sup>th</sup>-May 21<sup>st</sup>

Laid back and down to Earth...

Known as the Bull, your feet are firmly on the ground. As an earth sign, this angel reflects your calm, dependable and cautious demeanor. You are always there for people and expect the same in return so you're happiest in relationships with water signs—Cancer (for comfort) and Pisces (for faith), but you are often attracted to Aries, Gemini or Sagittarians energy. Over time, the higher energy signs become more of a novelty over time because all they want to do is play. You are looking for more comfort and longer-term stability. Your color is green and gem is an emerald.

Be aware of your tendency to be passive and less active. Bulls are prone to gaining weight due to thyroid issues as well as lack of activity.

Your share the same sign with:

Billy Joel, Pope John Paul II, Peter Tchaikovsky, Stevie Wonder

Gemini~May 21<sup>st</sup>-June 22<sup>nd</sup>

What's new? You'll try it!...

Known as the Twins, you can be very curious. As an air sign, this angel is always moving. You're amusing, witty, and quick making you a great communicator. You enjoy change, are adaptable and are open to trying new things. Your happiest relationships are with other air signs—Gemini's, Libra's and Aquarians, but can also do well with Aries, Leo and Sagittarius as air feeds fire. Virgo's can bring you down to Earth. Your color is yellow and gem is an agate.

Be aware of your tendency to be fickle. Your interest in trying everything can lead to restlessness, forgetfulness, and/or becoming unreliable. You're healthiest when you can relax. Meditation and getting quiet would be great for you, but will also be one of your big challenge.

Your share the same sign with:

President George Bush, President John F. Kennedy, Marilyn Monroe, Nancy Reagan, John (The Duke) Wayne

Cancer~June 22<sup>nd</sup>-July 23<sup>rd</sup>

The comforter...

Known as the Crab (a water sign), this angel symbolizes your sympathetic ear. You're learning about emotional and physical security and responsible nurturing in this lifetime. To accomplish these goals you have the gifts of being adaptable, loving, dependable and self-sacrificing. Your happiest relationships are with Earth signs—Taurus, Virgo and Capricorn (for dependability). Gemini can be fun, but may feel smothered and Leo will enjoy your attention with little return. Your color is silver and gem is a pearl.

Be aware of your tendency to cling, be over-sensitive, moody and smothering. You tend to be afraid of being hurt and never feel entirely secure. As a result, you miss opportunities because of the protective shell you create. You have a love of creating and eating comfort food. You're healthiest when you watch what you eat and how you feel.

Your share the same sign with:

Princess Diana, John Glenn, Helen Keller, John D. Rockefeller Sr.

Leo~July 23<sup>rd</sup>-August 22<sup>nd</sup>

The Proud, The Confident, The Lion...

Known as the Lion, this angel symbolizes your extreme self-confidence. You're bold, creative and expect to be at the head of the line, yet you are generous and loyal. You're fun to be around, the life of the party and love attention. You're happiest relationships are with other fire signs—Leos, Sagittarians, or Arians. Scorpions intensity, Libras refinement, opposites Gemini and Aquarians also attract due to their balance. Your color is gold and gem is a ruby.

Be aware of your tendency to be stubborn. You are very healthy, but can be weak emotionally. When you aren't adored and respected, you can become physically ill. You can also be lazy.

Your share the same sign with:

President Bill Clinton, Carl Jung, Jacqueline Kennedy Onassis, Madonna, Emperor Napoleon

Virgo~August 22<sup>nd</sup>-September 22<sup>nd</sup>

Ducks in a row...

Known as the Virgin, you analyze everything in great detail to improve the world. As an Earth sign, this angel reflects a very responsible person interested in serving a higher good, looking to achieve ultimate perfection. You are calm on the outside, but inside you're restless and constantly solving problems. You're happiest relationships are with other Earth signs—Virgos, Taurus, and Capricorns. You could also be compatible with Scorpio (focus), Pisces (faith) and Cancer (comfort). If you are looking for excitement you party signs Gemini or Sagittarius. Your color is blue and gem is a sapphire.

Be aware of your tendency to find problems where there really aren't any. Flexibility is not one of your strong points as well. You're healthy when you finally sit down, relax, eat and enjoy your meal.

Your share the same sign with:

Sean Connery, Michael Jackson, Stephen King

Libra~September 22<sup>nd</sup>-October 23<sup>rd</sup>

Weighing all the options...

Known as the Scales, you are looking for harmony and balance. This angel reveals your charm and great appreciation for art and beauty. Being an air sign, you have a very active mind, and a tendency to weigh all the options before you come to a decision. You are generally a friendly, popular, attractive person and see creating and maintaining relationships a priority. You're happiest relationships are with other air signs—Gemini, Aquarians and other Libras. You would also consider Aries confidence, Leo's generosity or adventure with Sagittarius. Your color is blue and gem is an opal.

Be aware of your tendency to seem insincere. You spend so much time weighing all the options that you can be seen as indecisive. You're healthiest when you're working on your inner harmony as well as your outer fitness.

Your share the same sign with:

President Jimmy Carter, Mahatma Gandhi, Jesse Jackson, John Lennon

Scorpio~October 23<sup>rd</sup>-November 22<sup>nd</sup>

Right time, right place, strike!...

Known as the Scorpio, you are intense. This angel represents the type of person that never gives up. You're more concerned with feelings than appearances. You wait for just the right time to make a decision and can be mysterious as a result. You are a magnetic leader, compassionate and brave. As a water sign, you're most comfortable relationships are with other water signs—Cancer, and Pisces, but Earth signs like Taurus, Virgo and Capricorn (fed by water) are also compatible. Your color is burgundy or black and gem is a topaz.

Be aware of your tendency to be manipulative, vengeful and cruel. You're healthiest when you're paying attention to what you eat and drink. Since you have a tendency to hold in your anger, relaxation techniques would be a good idea. Above all, define a sacred space for yourself to be alone.

Your share the same sign with:

Hillary Rodham Clinton, Bill Gates, Jodie Foster, Robert Kennedy

Sagittarius~November 22<sup>nd</sup>-December 22<sup>nd</sup>

Your boots are made for walkin'...

Known as the Archer, this angel represents the life truths that you are looking for to unite all people. As a fire sign, completing the journey is not as important as are the adventures along the way. You're honest, direct, and must be free to see new places. You're better off with fire signs—Leos, Sagittarians, or Arians to keep the adventure in your relationship but air feeds fire as well—Gemini, Libra and Aquarius-- and can keep the surprises coming. Your color is purple and gem is turquoise.

Be aware that your lack of commitment can irritate the more responsible signs. Your honesty can be interpreted as blunt or rude. You're most healthy when you slow down and even STOP. Do exercises that help you stay centered physically. Sugar, fat and alcohol can slow you down and make you sick.

Your share the same sign with:

Woody Allen, Walt Disney, John F. Kennedy Jr., Steven Spielberg, Mark Twain

Capricorn~December 22<sup>nd</sup>-January 21<sup>st</sup>

When rigid meets the road...

Known as the Goat, you are intense, practical and patient. As an Earth sign, this angel represents the self-control that helps you achieve your goals, utilizing our mind rather than physical force. Your goals are to help build a stable society that fits other's needs. You're ambitious and have been given the gift of organization to lead the way. Relationships come secondary to you but, your best relationships are with Earth signs—Taurus, Virgo and Capricorn—for stability. A nurturing Cancer, passionate Scorpio or sympathetic Pisces can also work.

Your color is brown and gem is a garnet.

Be aware that you can be cold, calculating, suspicious and rigid. You may tend to step on others that stand in your way. You're most healthy when your ideas and behaviors aren't as rigid. It's important that you calm your nerves in the quiet comforts of home.

Your share the same sign with:

Muhammad Ali, Martin Luther King, Mao Tse Tung, Elvis Presley

Aquarius~January 21<sup>st</sup>-February 19<sup>th</sup>

In the wild blue yonder...

Known as the Water-Bearer, this angel reveals your individualism. You are always looking for the new and different, committed to innovation and change. As an Air sign, you will do anything to defeat boredom and care little about what others think. You're best in relationships with those who won't feel threatened by your independence—

Other Air signs like Gemini, Libra and other Aquarians or fiery Aries, Leo or Sagittarius adds excitement. Your color is violet and gem is amethyst.

Be aware that you can be aloof and detached from the physical. Although you look like us, you don't feel like us. You may simply space out and be unaware of where you are which makes it very important to integrate grounding processes into your life. You're most healthy when you're feet are planted, exercising regularly and eating right.

Your share the same sign with:

Thomas Edison, Michael Jordan, Charles Lindbergh, Wolfgang Mozart, Oprah Winfrey

Pisces~February 19<sup>th</sup>-March 21<sup>st</sup>

You've gotta have faith...

Known as the Fishes, you are here to give to all that need help. This angel reminds us that as a Water sign, you can swim up or down stream—your choice. You are highly intuitive and represent spirituality itself (not to be confused with religion). You need to live by faith and intuition to stay on track and swim the most gentle route.

You're best relationships are with other water signs—Cancers, Scorps and other Pisces-- and you can also benefit from practical Earth signs—Taurus, Virgo and Capricorn. Your color is sea-green and gem is aquamarine.

Be aware of the fact that you can overindulge in food, alcohol, sex or drugs (including prescription). You're most healthy when you take care of yourself as much as you do others. Holistic practices for your body and soul are your most effective equalizers.

Your share the same sign with:

Queen Anne of England, Prince Andrew, Alexander Graham Bell, Jerry Lewis
