This is designed to be a personal affirmation supporting your deepest wishes. The subtle intention is like a little hidden secret that you don't realize until you are drawn in. Without thought you put the bracelet on and now you are reading the card. Once it touches your skin, it's magic begins to work and it just feels "right". You just know that you have the right one, the one that is best for you right now, today. Trust yourself and begin the personal power. Starlight, star bright first star I see....
