“Angel Light”

This image celebrates Love, Beauty, Joy and our Divine connection with “All That Is.” It is calling us to radiate these blessings to everyone and all things around us.

“Angel’s Love”

This image celebrates our children who will inherit the Earth. It calls us to inspire them to become responsible stewards to care and protect this precious planet for themselves and future generations.

"Angel Whispers"

This image celebrates the Divine speaking to us through signs in nature and its creatures. It calls us to be attentive to all that is around us and rejoice in our interconnectiveness that we share with all that the Creator created and the messages that they hold for us.

"Ariel: Archangel of Animals and the Environment"

This image celebrates the love the Creator has for the Environment and its creatures. It calls us to follow this example to cherish and protect these gifts as we would care for our own selves.

"Archangel Gabriel: Messenger of God"

This image celebrates the "calling" we all receive at one time in our life or another. It calls us to trust the Divine Plan and willingly and with faith, walk this new path of challenge with the knowing that our triumph is assured like the Phoenix rising from the ashes.

"Raphael: Archangel of Healing"

This image celebrates our body's ability to follow its Divine blueprint to heal and make its self whole. It calls us to step aside and allow the Divine to flood us with the healing waters on a minute to minute basis, so each cell in our body is as new and pure as the creator intended.

"Archangel Michael: Protector of All"

This image celebrates the Creator's will to keep us safe and protected and secure in the abode of the Divine. It calls us to keep a constant and open dialogue with God so we can request help and protection as soon as we need it.

“Atlantian Priestess”

This image celebrates the “gems” of our inner temple. It calls us to cherish, cultivate and expand our talents and to nurture with love and gratitude our sacred connection with the Divine.

In Alpha Order

“Atlantis”

This image celebrates our inner child and what a vital part of our personality it plays. It calls us to actively get to know this part of ourselves and have a loving and nurturing relationship with this beautiful little being deep within us.

“Atlantis II”

This image celebrates all the other environments and societies that we share our planet with. It calls us to open our hearts to tolerance and understanding and put forth an effort to live in harmony with all life forms on this planet.

“Before Egypt, Primordial Rhapsody”

This image celebrates the power of light to dispel the darkness. It calls us to be loving conduits for the Divine energy to work through us.

“Beginnings”

This image celebrates the life force within a seed and also to look at our thoughts as seeds. It calls us to acknowledge this powerful force that births new life into being as the old falls away. Be mindful of your thoughts!

"Breath of Life"

This image celebrates the good or "God Part" in all persons, places and things, no matter what our preconceived notions and prejudices are. It calls us to look beyond the surface impressions and externals and actively seek the common ground and the oneness of all.

"Bringing Heaven to Earth"

This image celebrates the out-pouring of the Divine Creator's love saturating all of creation. It calls us to allow this energy to permeate us at every level and plane of existence. It is who we are.

“Cloud Dolphins”

This image celebrates the undeniable spirit of the human being creating possibilities from impossibilities. It calls us to stand in the power of “If you can think it, you can create it.” We are co-creators with the Divine.

"Coming to Earth"

This image celebrates our Spiritual and Universal heritage and our ability to know this. It calls us to walk in the truth that we are multi-dimensional beings that came from Spirit and will go back to Spirit, but also even though we are currently physical, we are still "In Spirit."

”Dance of the Crystalline Rainbow Fairies”

This image celebrates the exploration of the deepest core of our being. We are called to embrace all the aspects of ourselves we discover and lovingly bring them to this present moment to heal, appreciate and share. Artist inspired by Mt. Shasta.

“Dimensional Overlap”

This image celebrates the acknowledgement of the magnificence of the soul, our higher aspect, our God-selves. It calls us to step up to our Divine Heritage of being a son/daughter of the Divine and live our lives in that energy of the True Beings that we are.

"Divine Ecstasy"

This image celebrates the ecstasy of an open, "expanded heart" merging with the Divine. It calls us to bring that Sacred Unification to every relationship and interaction with all that we come in contact with.

”Divine Inspiration”

This image celebrates the Divine Power working through us and in all that we do. We are called to co-create with our Creator in order to bring Heaven on Earth to all.

"Divine Partnership: Energy of Creation"

This image celebrates the Divinely balanced union of Male/Female energy receiving the Sacred down-load of lifeforce from the Creator, All That Is. It calls us to joyfully allow all our creations and manifestations their birth from this holy state of being.

“Dolphin Sunset”

This image celebrates the Creator’s gift of life for us and the joy of another day. It calls us to live in the constant state of gratitude and appreciation for our lives, no matter how good or bad they may seem at the time.

"Door of Eternity: Angel of Choice"

This image celebrates the magnificent gift of 'Freedom of Choice' bestowed upon us by our Divine Creator. It calls us to invoke the guidance of our heavenly support system in order to make the best choices which are in alignment with our highest potential before we cross the threshold into the vast unknown.

“Dream Flight”

This image celebrates the ability to see the beauty and positive aspects of all challenges. It calls us to respect them as teachers, find and understand the lesson, and become a better person because of them.

“Earth Angel”

This image celebrates love and gratitude for our planet and the delicate web of life that is the intricate and vital structure of all of creation. From the tiniest subatomic particle, to the vastness of the universe, it calls us to honor and respect this miracle and to do our part to be in Divine harmony with it.

“Earth Balance, Planetary Healing”

This image celebrates the newly transcended human, “Homo Spiritus.” While meditating on this image, feel the integration and balancing of the male and female energies within. It is stepping into the “knowing” of our True Selves, our Divine Heritage, Godliness.

“Essence of Innocence”

The image celebrates the innocence of the pure heart. We are called to invite that precious child within to join us on our path to wholeness by choosing it to be a journey kissed with joy, love and laughter.

“The Fifth Element: Love”

This image celebrates that of all there is; Earth, Wind, Fire and Water... “Love is, all there is. We are called to recognize the love that is in all of creation.

“From the Heart of God”

This image celebrates the Absolute Love the Divine Creator has for us and all of creation. It is Eternal, always was, always will be, now and forever. It calls us to know, feel and embody this truth down to the very core of our being and radiate it to all that we come in contact with.

“Gaia”

This image celebrates the Divine Feminine aspect in all creation. Whether you call her Earth Mother, Gaia, Mary, the Blessed Mother or Goddess, her energy is universal. Imagine that she has a special gift for you contained in the “single cell” orb that she holds.

“The Gift”

This image celebrates the sacredness of the stewardship of the planet. It calls us to inspire our youth to care for the Earth so as to preserve it for future generations to come.

“Gift of the Child’s Heart”

This image celebrates the oneness and universality of the innocent love that resides in the hearts of each and every child. We are called to let our own hearts beat joyfully in oneness and love.

In Alpha Order

“The Golden Planet”

This image celebrates our connection to our ancient and current ancestors. It calls us to honor how they carry on through us and how we carry on through all who goes after us, and most importantly, how we are all One.

“The Great Council”

This image celebrates our galactic citizenship and our honored place in the universe. It calls us to recognize that we are full-fledged citizens of this magnificent cosmos.

“Guardian Angels”

This image celebrates the Divine protection that is there for each and everyone of us. It calls us to know and believe without a shadow of doubt that the Creator is always with us, no matter what!

“Guardian of the Earth Rainbow”

This image celebrates humanity taking its place in the universe as peaceful loving beings and responsible caretakers of our magnificent home, a planet we call Earth.

“Healing of the Nature Kingdom”

This image celebrates the plant kingdom and how it sustains us with food, utility, and clean air. The plant kingdom of this planet calls for us to responsibly care for it as we care for our own bodies by nourishing, protecting and loving it.

“Healing of the Inner Child”

This image celebrates the connection and oneness that we are with our Divine Source and that never at any time was there a separation, no matter how severe our traumas have been. It calls us to embrace that little vulnerable part within ourselves, our “inner child”, and reassure it that it is unconditionally loved by our Divine Creator.

"The Initiation and Ascension of Planet Earth"

This celebrates the sacred journey and awakening that humanity shares with our dear planet, Earth. It calls us to walk in our Divinity and anchor in a whole new era of human evolution.

“Integration of Male/Female Aspects”

This image celebrates the balancing of the male/female energies of the integrated human. It calls us to rise above the polarity of male/female preconceptions and to live our lives from a higher state of being encompassing the true energy of Godly Male/Femaleness.

“Light Priestess”

This image celebrates the magic of myth and legend. We are called to dream how ancient thoughtforms rode the threads of time and are now woven into the beautiful tapestry of our human ancestry.

“The Light Worker”

This image celebrates our sacred space within where we can commune with the Holy of Holies. It calls us to frequent this place, deep in our heart where the Divine resides. Solidify this sacred connection and bring it into our daily lives.

“Little Angels”

This image celebrates the innocence of children and animals. It calls us to get to know, understand, and embrace the aspect of ourselves which we call the “inner child.”

“The Littlest Gull Rider”

This image celebrates the passion to go where you have never gone before. It calls us to bravely and intentionally choose to navigate in uncharted, but extremely promising waters of a well-lived life.

“Lost Valley of the Pegasus”

This image celebrates the precious time of self-nourishment. It calls us to step back from the hectic frenzy of life and cultivate the joy of being our own best friend.

“Midnight Round-Up”

This image celebrates camaraderie, friendship and dreaming our dreams together. It is sharing the magic of “possibilities are everywhere,” all around us.

“Mind Like an Ocean”

This image celebrates the alignment of our mind with the Mind of the Creator. It calls us to open ourselves to the Divinity allowing Godhead to wash thru us like the gentle waves of the ocean, cleansing and dissolving all that is not in our Highest Order.

“Nectar of Divine Essence”

This image celebrates that our creativity is truly Divine. It calls us to step up to the plate and to be the creator that we were meant to be.

“Night School”

This image celebrates learning, growing and opening to finding our highest potential. It is honoring our gifts, no matter how small or large we perceive them to be.

“Oneness with Source”

This image celebrates the impact of love from the Divine that surges and explodes through us at all time. It calls us minute by minute to be aware and willing to be in alignment with it consciously so we can walk in our destiny of “Heaven on Earth” and can truly feel “One” with “All That Is.”

“Peace Rainbow”

This image celebrates individuality, yet oneness, of all. It calls us to always seek common ground and hold a vision of understanding and tolerance, no matter how great the differences may seem.

“Peaceful Dreamer”

This image celebrates pushing through the limitations on boundaries we set for ourselves. It calls us to excel to new heights and go forward using new creative means we never thought possible for ourselves.

“Point Between Reality”

This image celebrates the optimistic spirit that seeks to find that ray of hope in this moment of “Now” no matter how grave a situation may seem. It calls us to grip and hold onto complete faith, knowing that the answer is there and it will be revealed to us in perfect Divine timing.

“Pond Sparkle”

This image celebrates the trust to tread into the magical waters of our imagination. It’s navigating joyfully, feeling our balance and knowing that the best and highest outcome is on its way to us.

“Precious Earth”

This image celebrates that the stewardship of our planet is in our hands. It calls us to acknowledge that our Creator gifted us with the ability to co-create with Him/Her through our power of free will.

“Reflections in Consciousness”

This image celebrates the inner peace of a pure heart in its natural state of Divine Connection. It calls us to know that in our purest state, we reflect to others the Divinity we are within.

“Sea Angel”

This image celebrates our heart connection to the earth, its creatures, and all of the universe. It calls us to honor the “God force” in all things and to treat the other life forms we share our planet with, with respect and dignity.

"Song of Motherhood"

This image celebrates Divine Feminine Energy of the nurturing mother. It calls us to transcend our gender roles and embrace this nurturing aspect of Godhead in our interactions with all young beings, be they human or of the animal kingdom.

"Spirit of the Sand and Sea"

This image celebrates the spirit of play. We are called to take the hand of the child within and allow ourselves to sparkle with the sheer bliss of indulging in every delicious moment of happiness and joy.

"Splash and Fly"

This image celebrates our pioneering spirit and our courage to be on the leading edge of creation. It calls us to boldly step forward into the great unknown, knowing and having faith that we are always taken care of.

"Temple Interlude"

This image celebrates the magic and mystical energy of ceremony. It calls us to create our own tradition to connect with the Divine. Let us hold it and cherish it with reverence and sacredness and pass it on to share it with those we love.

"Time Travelers"

This image celebrates the bond of family and friendship through thick and thin. It calls us to honor and show these people our appreciation and gratitude, even if it is in the form of a loving prayer sent from the heart.

"Tour Guides"

This image celebrates greater perspective when you look at the "whole" of everything. It calls us to remove our blinders and limitations to see the full picture and to joyously appreciate the magnificence of the Divine Plan.

"Unicorn Rainbow"

This image celebrates our ability to find magic and wonder in our everyday life. It calls us to appreciate all that our body and mind can do so that we never take any of this for granted.

"Universal Peace"

This image celebrates the love and courage the family of humanity seeks to express. We are called to end the disharmony, find common ground and embrace peace as the Creator meant it to be. Artist inspired by Michael the Archangel.
